REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Partners
of PTI Securities & Futures L.P.

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of PTI Securities & Futures L.P. (the "Company") as of December 31, 2018, and the related notes and supplemental schedules (collectively referred to as the financial statement). In our opinion, the financial statement presents fairly, in all material respects, the financial position of PTI Securities & Futures L.P. as of December 31, 2018 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of PTI Securities & Futures L.P.'s management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to PTI Securities & Futures L.P. in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB. We have served as PTI Securities & Futures L.P.'s auditor since 1999.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statement. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The Supplemental Schedules (the "supplemental information") have been subjected to audit procedures performed in conjunction with the audit of PTI Securities & Futures L.P.'s financial statement. The supplemental information is the responsibility of PTI Securities & Futures L.P.'s management. Our audit procedures included determining whether the supplemental information reconciles to the financial statement or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5 and pursuant to Regulation 1.10 under the Commodity Exchange Act. In our opinion, the Supplemental Schedules are fairly stated, in all material respects, in relation to the financial statement as a whole.

PTI SECURITIES & FUTURES L.P.

Notes to Financial Statements

December 31, 2018

1. Organization and Business

PTI Securities & Futures L.P. (the "Partnership") was formed on December 11, 1991, pursuant to the Revised Uniform Limited Partnership Act of the State of Illinois. The Partnership is a single class limited partnership. The Partnership is a registered securities broker-dealer with the Securities and Exchange Commission and is a member of the Financial Industry Regulatory Authority. The Partnership is also registered with the Commodity Futures Trading Commission as a non-guaranteed Introducing Broker and is a member of the National Futures Association. The Partnership solicits and accepts orders to buy or sell equity transactions and futures contracts or options on futures while not accepting or holding customer margin deposits. These assets are held by the respective clearing broker.

The Partnership's general partner shall have exclusive authority to manage, conduct, administer and control the Partnership's business.

2. Summary of Significant Accounting Policies

The Partnership's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America and are stated in U.S. dollars. The following is a summary of the significant accounting policies used in preparing the financial statements:

Revenue Recognition

Commission revenue and related expenses on futures and futures options contracts are recorded on a "half-turn" basis, which is the date when the futures contracts are opened or closed and when futures options contracts are purchased or sold. Commission revenue and related expenses on transactions cleared through Interactive Brokers are recorded on a trade date basis. Commission revenue and related expenses on transactions cleared through RBC Capital Markets are recorded on a settlement basis, and this has not changed from the prior year and Management determined this to not have a material effect on these statements.

The Partnership recognized revenue in accordance with the Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") Topic 606, Revenue from Contracts with Customers, effective January 1, 2018. There were no material changes in its revenue recognition policies and no material impact on our financial statements as a result of the new standard.

Use of Estimates

The preparation of financial statements in conformity with United States Generally Accepted Accounting Principles ("U.S. GAAP") requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Management determines that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

PTI SECURITIES & FUTURES L.P.

Notes to Financial Statements

December 31, 2018

2. Summary of Significant Accounting Policies continued

Income Taxes

The Partnership is a limited partnership with all taxable income or loss recorded in the income tax returns of the partners. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

In accordance with U.S. GAAP, the Partnership is required to determine whether its tax positions are more likely than not to be sustained upon examination by the applicable taxing authority, based on the technical merits of the position. Generally, the Partnership is no longer subject to income tax examinations by major taxing authorities for the years before 2015. Based on its analysis, there were no tax positions identified by management which did not meet the "more likely than not" standard as of and for the year ended December 31, 2018.

3. Financial Instrument Valuation

Accounting Standards Codification 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

In determining fair value, the Partnership uses various valuation approaches. A fair value hierarchy for inputs is used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that most observable inputs be used when available. Observable inputs are those that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Partnership.

Unobservable inputs reflects the Partnership's assumption about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The fair value hierarchy prioritizes is categorized into three levels based on the best information available in the circumstances.

- Level 1 Valuation is based on quoted prices in active markets for identical assets or liabilities as the reporting date.
- Level 2 Valuation is based on other than quoted prices included in Level 1 that are observable for substantially the full term of the asset or liability, either directly or indirectly.
- Level 3 Valuation is based on unobservable inputs for value of the asset or liability. Level 3 assets include investments for which there is little, if any, market activity. These inputs require significant management judgment or estimation.

PTI SECURITIES & FUTURES L.P.

Notes to Financial Statements, Continued

December 31, 2018

3. Financial Instrument Valuation, continued

The availability of valuation techniques and observable inputs can vary from investment to investment and is affected by a wide variety of factors, including, the type of investment, whether the investment is new and not yet established in the marketplace, and other characteristics particular to the transaction. To the extent that the valuation is based on models or inputs that are less unobservable or unobservable in the market, the determination of fair value requires more judgment. Those estimated values do not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined. Because of the inherent uncertainty of valuation, those estimated values may be materially higher or lower than the values that would have been used had a ready market for the investments existed. Accordingly, the degree of judgment exercised by the Partnership in determining fair value is greatest for investments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels in the fair value hierarchy within which the fair value measurement is its entirety falls is determined based on the lowest level input that is significant to the fair value measurement.

At December 31, 2018 the Partnership held no Level 1, Level 2 or Level 3 investments.

4. Clearing Agreements

The Partnership has entered into fully disclosed clearing agreements with RBC Capital Markets ("RBC") and Interactive Brokers LLC ("IB").

The Partnership, under Rule 15c3-3(k)(2)(ii), is exempt from the reserve and possession or control requirements of Rule 15c3-3 of the Securities and Exchange Commission. The Partnership does not carry or clear customer accounts. Accordingly, all customer transactions are executed and cleared on behalf of the Partnership by its clearing brokers on a fully disclosed basis. The Partnership's agreement by its clearing brokers provide that as clearing brokers, the firms will make and keep such records of the transactions effected and cleared in the customer accounts as are customarily made and kept by a clearing broker pursuant to the requirements of Rules 17a-3 and 17a-4 of the Securities and Exchange Act of 1934, as amended (the "ACT"). They also perform all services customarily incident thereon, including the preparation and distribution of customer's confirmation and statements and maintenance margin requirements under the Act and the rules of the Self-Regulatory Organizations of which the Partnership is a member.

5. Employee Benefit Plan

The Partnership has established a Simple IRA plan for qualified employees. The Partnership matches employees' contributions, subject to certain limitations as set forth in the plan agreement. There were no employee contributions made to the plan during the year ended December 31, 2018.

PTI SECURITIES & FUTURES L.P.

Notes to Financial Statements, Continued

December 31, 2018

6. Lease Commitment

The Partnership conducts its operations in leased office facilities and annual rentals are charged to current operations. Rent expense for the year ended December 31, 2018 totaled approximately \$46,889.

The partnership is currently operating on a month to month basis with a one month cancelation for a total commitment of \$3,765 as of December 31, 2018.

7. Guarantees

Accounting Standards Codification 460 ("ASC 460"), Guarantees, requires the Partnership to disclose information about its obligations under certain guarantee arrangements. ASC 460, defines guarantees as contracts and indemnification agreements that contingently require a guarantor to make payments to the guaranteed party based on changes in underlying (such as an interest or foreign exchange rate, security or commodity price, an index or the occurrence or nonoccurrence of a specified event) related to an asset, liability or equity security of a guaranteed party. This guidance also defines guarantees as contracts that contingently require the guarantor to make payments to the guaranteed party based on another entity's failure to perform under an agreement, as well as indirect guarantees of the indebtedness of others.

Other Guarantees

Customer transactions are introduced to and cleared through the Partnership's brokers on a fully disclosed basis. Under the terms of its clearing agreements, the Partnership is required to guarantee the performance of its customers in meeting contracted obligations. In conjunction with the broker, the Partnership seeks to control the risks associated with its customer activities by requiring customers to maintain collateral in compliance with various regulatory and internal guidelines and, pursuant to such guidelines, customers may be required to deposit additional collateral, or reduce positions, where necessary. The maximum potential amount of future payments that the Partnership could be required to make under these guarantees cannot be estimated. However, the Partnership believes that it is unlikely it will have to make material payments under these arrangements and has not recorded any contingent liability in the financial statements.

8. Credit Risk

Commissions receivable represent a concentration of credit risk. The Partnership does not anticipate nonperformance by its customers or brokers. In addition, the Partnership has a policy of reviewing, as considered necessary, the creditworthiness of the brokers with which it conducts business.

PTI SECURITIES & FUTURES L.P.

Notes to Financial Statements, Continued

December 31, 2018

9. Related Party Transactions

As of December 31, 2018 there was \$10,162 of receivables from affiliated companies. This amount represents \$8,349 from NKH Inc. and \$1,813 from Haugh Inc. of expenses that were paid by the Partnership on behalf of these affiliated companies. As of December 31, 2018 there was also a payable to the president of the Partnership totaling \$22,000 which is included in the accounts payable and accrued expenses on the statement of financial condition.

10. Net Capital Requirements

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Partnership is required to maintain minimum net capital, as defined, equal to the greater of \$5,000 or 6 2/3% of aggregate indebtedness (superseded by the NFA minimum of \$45,000). At December 31, 2018 the Partnership had net capital of \$69,078, which was \$24,078 in excess of the required minimum net capital. The Partnership's net capital ratio (aggregate indebtedness to net capital) was 2.32 to 1. The Partnership is also subject to the net capital rules of the NFA. The Partnership is required to maintain a minimum net capital under the NFA rules of \$45,000. Under these rules, the Partnership had excess net capital of \$24,078.

11. Uncertainly – Going Concern

As was highlighted in last years report, during December 2016 PTI signed an agreement to extend the clearing agreement with RBC Capital Markets and received a signing bonus. PTI received an adverse regulatory ruling and was required to account for this bonus as a liability to be amortized over the life of this contract extension and this treatment resulted in the Partnership being placed into a negative equity position as of the date of that agreement. For the year ended December 31, 2018 the Partnership had a loss of (\$1,021). The Partnership still has a negative equity of (\$24,380) as of December 31, 2018. Although the unamortized balance of this signing bonus can be included for purposes of computing the firm's net capital, and the partnership is in compliance with the net capital rule (see note 10), regulatory authorities are rather arbitrary with negative equity situations and may require the partnership to contribute additional capital if the firm was to experience losses for any period of time.

12. Contingency

The Partnership has one litigation claim that has been brought up against them during the year ended December 31, 2018. However, it is too early in the litigation process to assess the liability that may or may not occur against the Partnership. The Partnership intends to rigorously defend this claim.

13. Subsequent Events

The Partnership's management has evaluated events and transactions through February 22, 2019, the date the financial statements were issued, noting no material events requiring disclosure in the Partnership's financial statements.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Partners
of PTI Securities & Futures L.P.

We have reviewed management's statements, included in the accompanying "The Exemption Report," in which (1) PTI Securities & Futures L.P. (the Company) identified the following provisions of 17 C.F.R. §15c3-3(k) under which the Company claimed an exemption from 17 C.F.R. §240.15c3-3:(k)(2)(ii) (the "exemption provisions") and (2) the Company stated that it met the identified exemption provisions throughout the most recent fiscal year ending December 31, 2018 without exception. The Company's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, therefore, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.

Ryan & Juraska LLP

The Exemption Report

PTI Securities & Futures L.P. (the Partnership) is a registered broker-dealer subject to Rule 17a-5 promulgated by the Securities and Exchange Commission (17 C.F.R. 240.17a-5, "Reports to be made by certain brokers and dealers"). This Exemption Report was prepared as required by 17 C.F.R. 240.17a-5(d)(1) and (4). To the best of its knowledge and belief, the Partnership states the following:

1. The Partnership claimed an exemption from 17 C.F.R. 240.15c3-3 under the following provisions of 17 C.F.R. 240.15c3-3 (k)(2)(ii).
2. The Partnership met the identified exemption provision in 17 C.F.R. 240.15c3-3(k) throughout the most recent fiscal year without exception.

PTI Securities & Futures L.P.

I, Daniel J. Haugh, swear that, to my best knowledge and belief, this Exemption Report is true and correct.

Daniel J. Haugh
President
